

# VIDEO LISTING

<b>Page</b>	1 of 2
<b>Status</b>	DRAFT
<b>Date</b>	May 17, 2012

Highlight videos you have not started yet with an "unread" bar just like in email

If possible, show the last keyframe of the video where you stopped

Sort by date added (most recent on top) or alphabetical by title

Title  
Total Time  
Optional Description

Tap anywhere on the row to start playing video

Tap and hold for Delete function

Play / Pause  
Elapsed time

Time remaining

Tap circle to show **jog dial**.  
Or press and hold to control jog dial.

Works for audio too

Drag slider for fine control, goes faster closer to the edges.  
Or tap for small increments (e.g. 15 sec, 1 min, 2 min, 5 min)

Jog dial when it's near the beginning or end of the timeline.
